## About Us

Glass Centre is proud to offer safe, reliable and Quality Auto Glass Replacement. We are committed to provide you with the highest Quality of the material. At Glass Centre, We use only glass manufactured and supplied to OEM's such as Saint-Gobain, AIS and Pilkington ensuring the originality and clear vision of your glass. We help the customer in Insurance claim of the Windshield or other car glass. We have Tie-ups with many Insurance co.in which we offer cashless facility for the claims subject to approval by the Insurance co. There is depreciation of vision in the glass after some period of time. We do the glass polish in such cases to retain the original vision of the glass. We do the coating in the glass. It is termed as "Nano Technology" in modern terminology..
