# Glen Appliances Private Limited

<https://www.indiamart.com/glenindia/>

Glen is an inspiration from the needs of the discerning buyers of modern home appliances. Acknowledging the fact that quality services are the only two parameters for acceptance of a brand in the market, Glen is the answer to market dynamics.

## About Us

Glen Appliances came into existence in **January 1999** and since then has been working relentlessly to provide **value added solutions** to millions of buyers across the world, carving a niche for ourselves and leaving a **lasting impact** on the **minds of the customer**. **Deeply inspired by our discerning buyers** our journey has been full of **innovation**. Our promise of better lives for our buyers inspires us and our thirst for innovation continues to get stronger by the day. Our spirit of innovation is driven by our quest to find **better ways of doing things** and commitment towards **continued investments in capacity building, R & D and knowledge assets**.

Our latest state-of-the-art plant at IMT, Faridabad is a live testimony to our spirit of **innovative thinking and development**. At Glen the key operational words are professional excellence and integrity. In essence the approach of designing and developing products is primarily consumer led and is backed by the unflinching support of continuous Research and development. Our products are an ideal combination of aesthetics and performance. Guaranteed for long and trouble-free usage, Glen comes across as a household's delight.
