## About Us

Global event infra is one of India's leading event production companies with over 12 years of experience delivering high-quality events and exhibitions in Mumbai. GEI can design and build exhibition solutions for your company. We create your brand, tell your story, and deliver your key messages in an exciting way. We take great care to ensure that the stand is functional while also communicating your values and products. We are there every step of the way, from conceptualization to Execution of the Exhibition stall and the builder's sales office. These stalls are used for promotions, events, exhibitions, product launches, store openings, and a variety of other purposes. Global Event Infra provides a creative point of contact requirements such as Octonorm Stall on Rent, Exhibition Stall on Rent, Schell Schemes, Syma System, Maxima Stall on Rent, and large format Exhibition accessories display.
