About Us

Since our inception in the year 2008 as a trading firm, trading with coal, manganese, bauxite and iron ore. With time in progress we have grown up to a strong trading firm now. But with the uncertainty of every growing market today, its peak & recession periods have made us thought of something new. That was certainty to have change and to keep up to those changing scenarios, we have diversified into a good number of trading, manufacturing and service industrial units. Till date we have a good financial background with a strong network of peoples associated into our business, which has made us survive in every sphere of our progress. Unlike most other industries, employing more number of people to their organization, we intend at empowering Entrapreneurship to our peoples getting associated with us. This has ultimately being pushing us beyond our own limitations. With this determined and dedicated team work of our peoples associated in our journey to build a bigger, better and more organized business frame. Today we hearty invite every such entrepreneur to join in hands together to grow up into bigger enterprise.
