<https://www.indiamart.com/global-infrastructure-services-solutions/>

GISS is a unique public private Initiative undertaken with the objective of promoting infrastructure development and serving the cause of Industry. A special purpose vehicle promoted by PERI Software Solutions Inc.

About Us

GISS is a unique public private Initiative undertaken with the objective of promoting infrastructure development and serving the cause of Industry. A special purpose vehicle promoted by PERI Software Solutions Inc., USA with TANSTIA FNF Service Centre (TFSC) as the technical collaborator. GISS has generated considerable interest amongst foreign Investors to invest in India in key sectors and has been facilitating the flow of private equity to viable projects in India. **TANSTIA-FNF Service Centre** is a collaborative venture between Tamil Nadu Small and Tiny Industries Association (TANSTIA), Chennai and Friedrich Naumann Foundation (FNF), Germany established to render supporting services to SMEs.

PERI Software Solutions is an Information Management and Consulting Services organization with offices at New Jersey, California, USA and Chennai, India. GISS is formed to take up specific activities like project implementation and infrastructure development for SMEs, Creation of SEZ and Industrial Parks, establishing forward and backward linkages, export promotion and professional event management.
