Global Ophthalmic Private Limited

<https://www.indiamart.com/global-ophthalmic/>

We are the leading manufacturer, exporter and supplier of high quality Intra Ocular Lens, Capsular Tension Rings and Microsurgical Blades. Our entire range is widely appreciated for its precision, accurate results and longer shelf life.

About Us

Our organization, **Global Ophthalmic Pvt. Ltd.**, an **ISO 13485:2012** certified company came into being in the year **2009**, as leading manufacturer, exporter, supplier and wholesaler of exclusive range of Lens and Tension Rings. We gained a reputation of deliverance and trust within the industry due to our unfaltering excellence in producing the most efficient products including Hydrophobic Aspheric Intraocular Lens, Hydrophilic Yellow Acrylic Foldable IOL and Hydrophilic Square Edge IOL. We make excruciating efforts to ensure complete client satisfaction by providing customizable solutions for their practicing needs. To keep the superior quality, our products are manufactured under the direction of experts, who have rich industrial experience. Moreover, in order to offer the optimum quality of products, these are inspected on dissimilar quality parameters using sophisticated techniques. With our own brands Accura vue, Aspro Lenz, Hemafold, Proxy Lenz, Glowedge and Glowvision we meet the constantly evolving requirements of the ophthalmic surgeons. In addition, our moral business policies, honest dealing, reasonable prices, optimum quality of products has helped us in exporting our products all over the globe.

Our infrastructure is our stronghold, wherein all the departments of our organization are situated. Our campus houses structures that facilitate for working space, segregated into departments. Each department in our...
