## About Us

Established in the year 2010, we, GLOBAL PALACE, are one of the trusted suppliers and exporters of a variegated product range that includes Indian Basmati Rice including Preboiled Basmati Rice, Brazil Cane Sugar products. Further, with our vendor base comprising leading manufacturers, we assure customers that their products are manufactured in compliance with international quality standards.

Under the supervision of “Mr. Rakesh Sharma”, our team has proved to be efficient in catering to the requirements and demands of the individual clients. His ethical business practices have, further, enabled them to work in close sync with the vendors as well as the clients. It is owing to his experience and knowledge that this organization has visualized a rapid growth.

With our base at New Delhi, India, our dedicated team of professionals help us ensure that our range of products are sourced from reputed manufacturers and conform to the prevailing international standards. Our well defined logistics facilities also adds to our capability of catering to the diverse industrial product requirements of our clients at short notice periods.

Today, our consistency in delivering high performance oriented products and ethical practices followed at our workplace has helped us to emerge as one of the leading suppliers in our industry sector. The delivery of quality products on a consistent basis also enables us to positively contribute towards bringing...
