About Us

Established in 2015, We **GLOBAL TRADERS** carved an ideal position for itself in the Indian market with a wide range of products ranging from Tarpaulins and Tents to Truss works and Fabrics. Initially started as dealer of tarpaulin and tents, the company's quality products quickly earned trust from across the Kerala state. We have established ourselves as the undisputed leader in our sphere of operation in a short span of time and with our extensive experience we have been able to progress and achieve our increased targets every year. We are a trusted & reliable name, associated for long with tarpaulins, Tents, Truss works, Fabrics and structures because of excellence in supplying only finest quality products. Our products are highly acceptable, portable, elegant and comfortable to use. The offered products are developed using high quality raw material, made by the well known manufacturers of the market.
