About Us

Global bag is one of the renowned manufacturers and suppliers of eco-friendly custom Non Woven Bags and Fabric Rolls. Being the fastest emerging company in South India with over years of experience in fabric industry; we are specialized in producing variety of re-usable fabric products. Our products are customized according to the requirements and growing demands of the clients. We always manufacture the products that are reliable, highly efficient, durable and termite resistant. The products of Global Bag manufacturer are highly cherished and are in great demand among our clients because of its remarkable quality and affordable cost. Global Bag Solution Udhoyg was established in the year 2014. We are leading Manufacturer of Carry Bags, Plain Non Woven Bag, W Cut Non Woven Bag, Shopping Bags, promotional Bag, Sweets Bag, Advertising Bag etc. Owing to our rich industrial experience and using Zero filler Premium Fabric, we are engaged in offering a wide range of Shopping Bags. Optimum quality and long lasting flawlessness are some of the main features of these products. High quality raw material is procured for making of these bags which makes them odor free and have longer life also. We provide the bags in varied sizes, colors and designs keeping in mind the client's needs. These bags are eco-friendly and fashionable .
