We are engaged in Manufacturing and Supplying of Reverse Osmosis Plant, Water Softener Plant, Industrial Filter, Demineralization Plant, etc. These are known for their sturdy design, excellent quality, corrosion proof and durability.

About Us

GLOBAL Ion Systems Pvt. Limited is a 21st century healthcare products company with a vision to make the world a healthy and a happy place. Pioneers in bringing the revolutionary Reverse Osmosis (RO) technology to India, GLOBAL started its operations from Bangkok, South East Asia in 1989. Over the years, it has evolved as a market leader providing technologically advanced healthcare products ranging from Water Purifiers, Water Softeners, Sewage Treatment Plants, Pool Filtration, De-mineralization System and ETP. It has become synonymous with offering purity and is known for its robustness in technological performance and innovative designs enhancing quality of everyday living.

GLOBAL is ISO 9001:2008 & 14001: 2004 certified and has been at the forefront of innovation. It has grown to be a strong organization with offices across India and most importantly, millions of satisfied customers to its credit worldwide.

With a purpose to give good health to one and all, GLOBAL is the best guardian of your family's health!
