About Us

Global Services was established in the year **2012** with an aim to serve the appetite of its customers from different industrial verticals. Company is instrumental in its business vertical since its foundation as a **Partnership** based venture with its main unit located at **Chennai, Tamil Nadu (India)**. Our company is engaged in **trading, wholesaling, supplying** and **distributing** of products such as **Welding Machine, Corner Cleaning Machine, Bending Machine, Electronic Tensiometer, HDPE Pipe Welding Machine** and many more. We are also known to **provide** reliable and cost effective solution for **AMC Service**. The young team of management personnel has studied at NTTF, Bangalore and PSG Tech, Coimbatore. The team has more than 15 years of professional experience with various multinational companies. Having experience in industry, we have more confident to serve our customers in better manner. **Mr. Muralidass C.** is the **Managing Partner** in the company. His exceptional marketing abilities, leadership traits, excellent business sense and visual approach help us to achieve the pinnacle of success in industry. He guides every employee of the company in consecution of path to success and helps workers in understanding the scope of work. With his growth boosting sessions, our employees found it easier to generate leads. We are the authorized distributors of a reputed company named **BAK Thermoplastic Welding...**
