Glo Panels Private Limited

<https://www.indiamart.com/glowood-enterprises/>

We are focused and committed company; constantly striving to source, innovative, design, produce and bring new trend to the Interior Design and Architectural industry.

About Us

Established in 1980, the company is based in Mumbai, India.

Backed by years of experience and exposure in the field, we have the enviable advantage of knowing current and future market needs and trends. Today, we are primarily involved in the import of various types of wood panels from across the globe. All our products are marked by their uniqueness and are unmatched in their exclusivity and quality. We offer the consumer a wide variety of wood panels to suit his/her décor and budget.
