About Us

Gnomon Watches 1st opened her doors for business online in early 2002, founded by bona fide horology suitors who share profound passion for watch making and fine craftsmanship. Since its conception, Gnomon Watches has gradually gain recognition amongst acclaimed industry artisans as the world's premier independent watch portal, horology resource meeting point for enthusiasts and collectors alike.

Throughout the years with accumulated experience, we are constantly reinventing the business model, scouring the industry to bring the most comprehensive list of special unique brands of watches to our customers. Our extensive portfolio constitutes high quality watches and accessories of different distinct designs traits, more than often the best in their perspective price threshold, catering to individual demands of our ever expanding list of astute clientele base.

With significant growth of the business and successful distribution network, we expanded the company's infrastructure with the introduction of a brick and mortar store, a separate new modern servicing facility and recruited highly experienced watchmakers and knowledgeable customer service personnel to the Gnomon family.

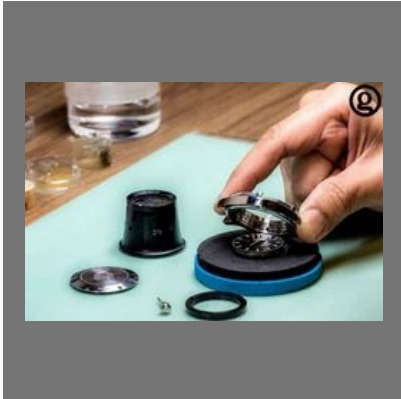

We work closely with all the manufacturers/brands we stock, buying our watches, bracelets, 100% handmade leather straps direct from factory (not grey markets). Most instances we purchase in quantity and are able to pass on savings on new stock, authentic...
