About Us

- Golive is an enhanced communications provider offering event Level video cast services and video streaming services.
- Golive is a leading provider of online Internet video delivery solutions. Our focus is on helping our customers successfully create, promote, leverage and distribute streaming media content online.
- Whether your video content is live or on-demand, you'll find that Golive has the most comprehensive solutions available in the marketplace today.
- With over a decade of experience, we at Golive make high-speed
- web casting practical, simple and affordable.
- The system is a browser-based application that provides users with the ability to manage and distribute live and on-demand web casts anywhere in the world!
- We treat your Live Event Web cast like a professional production. You focus on what is important, "the message",
- and we will handle all elements of production and web broadcast.
