# Goel Exports

<https://www.indiamart.com/goel-export/>

Manufacturer of iron products, glass, knobs etc.

## About Us

We have been in manufacturing and exports business of handicrafts and furniture for over two decades.

We have an in house design team, which is creating and developing new design, ideas and concepts on regular bases. Production take place primarily in our own facilities and some times in our captive units. Quality control and quality assurance procedure are strictly follwed and adhered by our quality control team.

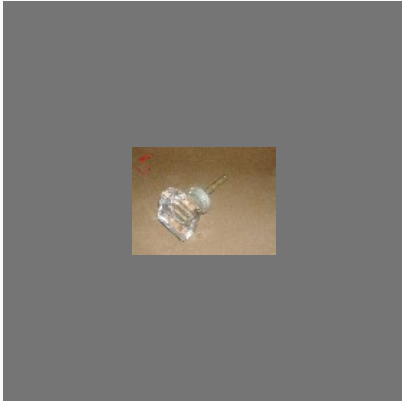

Today we have made a name for ourselves in the word market. Once a customer starts business with us we make sure that we are not only his extended office but also his extended family in India.
