About Us

Phoenix elevator one of the trusted brand in the elevator and escalator industry, founded in 2004. The company dedicated itself towards enhancing the value of real products. To meet the ever growing demands of the customers, Company spared its wing in all over India. An elevator is a life time investment. It is a hi-tech products incorporating sophisticated electronic circuitry. And so job of installing an elevator is a specialized one. So moving ahead with time, today Company posses state of art of latest and advanced technology, with its in depth experience of a decade. Phoenix Elevator is as been as its customers to ensure that elevators are installed and handed over in time without any defect, because Company dedicated to quality and customer satisfaction is our motto.

Phoenix Elevator is one of the fastest growing company and leading manufacturer of Elevators and Escalators. Phoenix produces various kinds of elevators and escalators which integrate full-fledged Research and Development, Production, Manufacturing, Testing and Quality assurance, Installation, Modernization, and Maintenance and after sales service are under one roof in a professional way. The sales network covers all large and medium cities in India.

Phoenix Elevator learned a lot of details in line of business which helped to develop a variety of products which could compete with the products offered by the indigenous and multinational companies. Phoenix Elevator learned a lot...
