About Us

We are one of the reputed companies engaged in buying & selling per-owned textile machinery. Since 1977 we are satisfactorily catering requirements of various textile units with vide range of textile machines right from Yarn Forming to fully finished fabrics.

Our range includes all types of spinning, weaving, finishing, dyeing, printing, knitting and embroidery machines.

Our business network spread across the globe in which you can find all types of secondhand/used textile machines which you require. We have successfully sold and installed various textile units to our customers entire satisfaction. Contact us for any single or complete line of machines you are looking for and also do let us know if you have any good machines for sale. All machines we sell are pre Tested in all respects I.e functioning, operational speed, quality of components, spare parts etc.
