Gold Plast International Private Limited

<https://www.indiamart.com/goldplastinternational/>

We, **Gold Plast International Pvt. Ltd.** are Manufacturers and Suppliers of plastic crates and pallets. Our range of products are manufactured from quality raw material, which is odorless & non-toxic.

About Us

Gold Plast International Private Limited (GPIPL), is engaged in manufacturing and supplying a wide range of Plastic Crates, Dairy Crates, Milk Crates, Milk Pouch Crates, Fruits & Vegetables Crates, Bakery Crates, Multipurpose Crates, Plastic Perforated Crates, Fisheries Crates, Nestable and Stackable Crates, Plastic Pallet, Plastic Crates Perforated. that are acknowledged for durability and quality.

Our infrastructure is spread over an area of 13,500 square feet and is well equipped with a manufacturing unit as well as advance in-house designing unit. Our entire range of product is manufactured using advanced injection moulding machines that are imported from Germany, Taiwan and China and we have our own tool room where we make advanced technology moulds through our latest cnc machines apart from other plastic crates moulds which we have imported from various countries.

We are continuously progressing under the able guidance of our owner and mentor **Shri. Prithvi Raj Manchanda**, whose in-depth knowledge & experience in the industry has enabled us to carve a niche in this competitive market. He, along with other dynamic professionals & a team of employees, work hard in the direction of providing complete satisfaction to our valuable customers. Our company follows innovative management techniques to maintain the quality at every level of production, thus ensuring unmatched quality range of products to our customers. We also...
