About Us

Established in the year 1996, “Goodwill Agrotech” is counted amongst the prominent manufacturer and exporter of Water Cans, Lawn Mowers, Agricultural Implements and sprayers. These agriculture equipment are in compliance with ISO 9001:2000 and are manufactured using quality raw material like hard plastic, brass, aluminum and polyethylene. Our agriculture equipment is well known for its durability, simple operations, low maintenance and easy mobility. Our qualified professionals work in close collaboration with an intention to provide an innovative and technically advanced agriculture equipment. Further, they test our entire range on various parameters like design and power consumption to serve our clients with quality range. To attain maximum client satisfaction, we offer our range in various dimensions as per their requirements. Further, it helps in improving the reach of our range in the domestic as well as international market. Our CEO Mr. Tajinder Singh, holds wide industry experience and knowledge regarding the agriculture sector. Under his able guidance we have been able to make a position of repute in both domestic and international market. In addition, We have developed a wide distribution network in order to meet the deadlines set by our domestic as well as global clients.
