100% Vegetarian Natural Additives for the Food, Beverage, Pharmaceutical, Agricultural and Aquaculture Industries.
About Us

GO ORGANIC deals in 100% Natural Additives for the Food, Pharmaceutical and Agricultural Industry. Our aim is to promote and showcase the benefits of using Natural and Organic Additives to end users in the growing Indian as well as Global market. Our clients include several large and medium level Indian companies.

Products and solutions that we provide are from an ISO certified company who are the sole manufacturers of Natural Food Additives such as Alginates and Carrageenan made from Seaweed which is of 100% vegetarian origin.

All products supplied are as per National & International standards Namely BIS (Bureau of Indian Standard) and JECFA (Joint Expert Committee on FAO/WHO Food Additive) Specification. Our products for the Food Industry are also FSSAI, Halal and Kosher certified which are manufactured under the highest quality standards. We also supply formulated products for the Food industry.
