About Us

The Gopalan College of Engineering and Management (GCEM) is an institute which provides quality education in a diverse and multi-cultural environment. GCEM celebrates the power of knowledge, cultivates vision and encourages new ideas, while also inculcating human values. Its transformative education includes a broad-based curriculum underscored by multi-disciplinary courses and cross-faculty enrichment, as well as special programmes which allow students to realize their potential and make them competent, inspired and successful professionals.

The Gopalan College of Engineering is started by the Gopalan Foundation, which is part of the renowned Gopalan Group. The Gopalan Group was founded in 1984 by Mr. C.Gopalan, an architect, with the objective of developing and constructing residential apartments in Bangalore. The company has developed some of the finest homes in Bangalore and has the enviable record of having completed all its projects on time. The Group is engaged in the promotion of Residential, Commercial, Shopping Malls, Townships, Special Economic Zones, Software Technology Parks, Biotech Parks, Organic Farms, Educational Institutions, Export of Culinary, Medical Herbs, Star Hotels, Hospitals etc. They have 25 years experience building for an astute clientele from around the world. They take pride in their superior craftsmanship and attention to detail given to every project they construct. Their reputation nests on professional management, exceptional...
