About Us

We have the capacity to produce up to 100 tons of knitted fabric per month and 10000 pcs of knitted collars per day in any desired pattern and 500 pcs of suits & shawls per day from our knitting & Stitching machines. These high-tech machines are imported from world-class leaders from Japan, Taiwan and China etc.

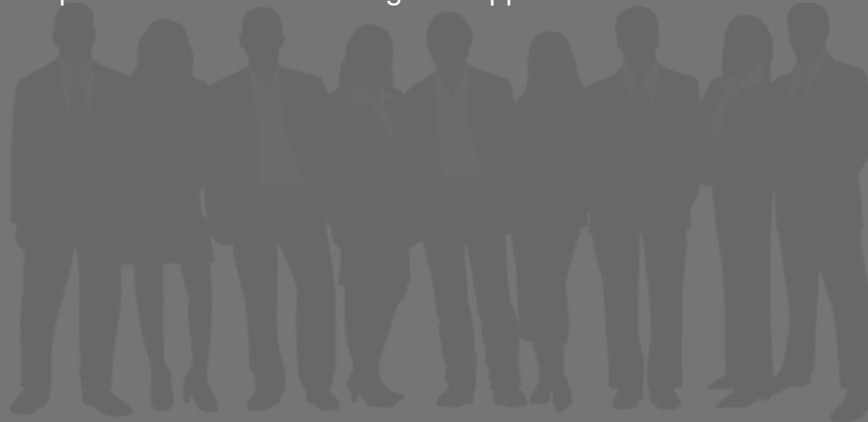

To generate the required design and knit-constructions, our machines are programmed with fabric designing system. Be it Cotton, Woolen, Viscose, Polyester, Blends, Lycra or Lurex in knits like Single-jersey, Double-jersey, Terry / Transfer / Interlock / Sinker Jacquard, Pique, Fleece, Polar, Ant piling, Ribs, Eyelet Ribs, Auto Stripes, Sherpa, Terry, Velour, Interlock, Crochet, Net etc. we work on all.

We have ambitious plans to enhance garment production capacity and carve a niche in not so distant future. Hip, cool & trendy range of designer suits and shawls women are created by its team of highly professional fashion designers. Strict supervision at different stages of production ensures best quality of the end Product.

We create an image for your business, an image that determines the way you are seen by your customers. Our mission is to make the best media accessible to all consumers. Our Outdoor Advertising Services take an active role in disseminating information for our clients, and make strategies to inform their target audiences about the products, services and related activities, through various outdoor...
