About Us

Resembling an oasis amidst endlessly lush green paddy fields, swaying coconut palms and waterways and vast lake, The Renai Green Fields blends into the surroundings while offering every modern comfort surreptitiously camouflaged within its majestically gabled and traditionally tiled slopping roof.

The green fields is sprawled across tastefully landscaped environs in the hamlet of Kumarakom. Charming yet exquisite and cocooned by untouched nature, it is perhaps the only place of its kind in this sleepy village where glimpses of vibrant everyday life unfolds as in a motion picture.

Droves of quacking ducks being shepherded across busy water ways, lithe fishermen launching their nets from the edge of tiny canoes, migratory birds from Siberia waiting for a catch, toddy tappers slithering effortless up swaying coconut palms and much more are awaiting.

Located at Kumarakom, an hour's drive (78 KM) from Cochin (nearest international airport) and 16 KM from Kottayam (nearest railhead) the resort is easily reached.
