About Us

Green Jardine Verdure Pvt. Ltd. was established by passionate nature lovers to connect the modern ecosystem with the Mother Nature. We are green activists and play our role in spreading the green cover on earth by conveniently providing plants & enabling green material at a mouse click to the common man as well as sophisticated landscapers. Our company was established to answer our customer's demand of quality nursery products. We continue to improve our on-line capabilities and expand our product offerings.
