

Green Gold Seeds Limited

<https://www.indiamart.com/greengold-seeds-ltd/>

Supplier and distributor of cluster bean (vegetables), soya bean (oil seeds) and ladies finger etc.

About Us

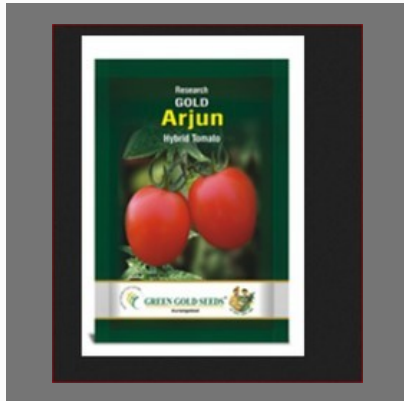

Green Gold Seeds Ltd. (GGSL) established itself in 2001 with a vision to uplift the face of agriculture in India, by way of providing the farmers the carefully researched and highly productive seeds products. Having the main manufacturing base at Aurangabad in Maharashtra, the organization has spread its wings to a number of other states as well like Madhya Pradesh, Gujarat, Andhra Pradesh, Karnataka, Tamilnadu and Orissa. The organization is soon starting with Exports to several countries in the world.
