About Us

Grover is synonymous with all things classy and sophisticated with its offering of clothing range that is simply class-apart. Refined tastes make for the core of this suiting and tailoring legend.

Established in the year 1962, Grover has nearly five decades of experience of dressing with finesse to its credit. A Brainchild of RS Grover, this tailoring house changed the face of fine clothing. The reigns of the brand were taken over by O P grover and then eventually by Yogesh grover (Bobby Grover), who took the legacy several miles forward. Today, Grover is a complete brand in itself that personifies class & Style.
