We are growing organization, involved in providing satisfactory Services in Logistic and Security Solutions. The entire services are rendered through qualified and experienced professionals, ensuring optimum client-satisfaction.

About Us

Despite a new entrant in this industry, “**Grow Global**” (earlier known as Safeway Intl.), we have been able to gain a broad recognition by providing Services in **Logistic and Security Solutions**. These services are rendered with the support of a team of dexterous professionals; further allowing us to establish ourselves as a strong contender offering complete solutions with cost-effectiveness. Being well-versed with the technicalities, pro's & con's in the industry and rich industry experience, we have been able to provide unmatched solutions to the clients. We render the services considering the time-limitations and client-satisfaction. To offer these services, a team of experienced professionals and security personals is hired by us to employ its best efforts in accomplishing organizational targets. We follow ethical business practices like fast and reliable International express shipping services, signature proof of delivery on every shipment, customs paper preparation support, hazardous and non hazardous material coordination expertise to assure reliability of our services. Nevertheless, we offer money back guarantee, if clients find our services unsatisfactory. These attributes have allowed us to garner a wide base of trusted clients. The organization has been successful to claim a prominent position under the able guidance of “**Mr. Prashant Agrawal**”. His business acumen and ethical business policies have been...
