## About Us

Coldbasket.com (GRR Enterprises) Is online Market where you can shop hassle free for the finest and widest range of Frozen, Chilled & Fresh foods from across the globe. You will find Coldbasket user-friendly and a pleasure to browse. With products categorised well, it's easy to navigate and enjoy every minute of shopping. You can also find loads of yummy recipes to try, cooking tips from professionals and more. Every product on Coldbasket is well-researched, personally tried and quality checked by our QC committee before it features on our site. We understand food very well and the processes needed to store and handle them in the appropriate conditions before it reaches your Refrigerator. Products are delivered to you from here in vehicles fitted with temperature controlled boxes that maintain the right temperature for each product. Coldbasket's initial operations are across the Southern states, in specified locations of Hyderabad and for bulk orders throughout Hyderabad.
