About Us

A Brief profile G S Geo EnViron Pvt. Ltd., Consulting Engineers and Planners, has wide experience in consulting engineering and planning of multifarious projects within all the traditional disciplines of:

- Geotechnology
- Energy
- Environment
- Project Planning, Development & Appraisal Division
- Turnkey Project Implementation

The Company was originally founded in 1983 as a firm Known as Universal Technical Services. The firm was started under the guidance of Late Prof. R.S. Mithal, MSc., Ph.D., DIC (London) Emeritus Scientist. As its activities increased, leading Industrial Professionals, Scientists, Technologists and Professional Managers were taken in as partners. In 1987, the name of the firm was changed from Universal Technical Services to M/S

G S Geo EnViron Pvt. Ltd., and was incorporated as a Private Limited Company. The Directors and leading Engineers and Professionals of the Company are members of professional societies of India and abroad.
