

G. S. Trading Co.

<https://www.indiamart.com/gs-trading-company/>

We are Trader and Supplier of wide range of **Industrial Motors & Pumps**. Our offered range is acknowledged for dimensional accuracy, optimum tensile strength, corrosion resistance and long service life.

About Us

Established in the year **1981**, we “**G.S Trading Company**” are one of the eminent names, engaged in **trading** and **supplying** a wide variety of **Industrial Motor, Electric Pump, Monoblock Pump, Electric Motor, Axial Flow Fan** and **Electric Wire**. Sourced from certified vendors, our offered range finds usage in electrical, automobile and engineering industries. These are appreciated for dimensional accuracy, optimum tensile strength, corrosion resistance, shock proof, trouble-free performance and long service life. Our range is available in varied specifications to meet the exact demands of our customers. Located at **Delhi (India)**, we have received immense recognition and admiration due to our quality tested electrical and engineering products. Our tie-ups with reliable and certified vendors help in satisfying the specific requirement of our customers within the specified time frame. Abiding by our rigorous quality control procedures and norms, we ensure defect free products to our customers. Owing to our large warehousing unit, we accommodate the voluminous consignment in an organized manner and delivered to clients within the committed time frame. We are headed by our mentor **Mr. Saurabh Goyal/ Kishan Goyal**, whose industry experience and expertise has enabled us in creating a commendable position in the domestic market. Further, due to our ethical & transparent business...
