About Us

The Company that Chartered Accountants Recommend GSR Consultancy Services provides all its clients with High Quality, Time Bound and Cost effective services through its offshore facilities in Hyderabad

We provide a wide range of accounting and financial outsourcing solutions to small and medium businesses. Our outsourcing services help our customers in reducing the cost, increasing the productivity and operational efficiency of their accounting processes. We integrate our team of accounting professionals to work directly with small and medium businesses in offering highly reliable and accurate solutions.

Our bookkeeping services help small businesses in all aspect of managing their accounts and financial data within the accounting software. We have expertise in Oracle, Tally, Focus, QuickBooks, and Peachtree

Based on your company's needs, we partner with you as a management consultant or accountant or business advisor or internal auditor or the entire Finance & Accounts Department. We help you to manage key non-core functions so that you can concentrate efforts on maximizing your core business, which is essential for business growth
