We, **Ekta Udyog** are **Exporter** and **Manufacturer**, **Trader** of a qualitative array of **Copper Armoured Cables**, **PVC Insulated Single Core Cable**, **Multicore Copper Flexibles Control Cables**, **House Wiring Cables**, etc.

About Us

We, **Ekta Udyog** formed in the year **2003** in **Delhi (India)**, are a prominent **Exporter and Manufacturer, Trader** of a qualitative array of **Copper Armoured Cables, PVC Insulated Single Core Cable, Multicore Copper Flexibles Control Cables, House Wiring Cables, etc.** The offered product range is manufactured using superior quality raw material and copper that we procure from the reliable vendors of the industry in compliance with international quality standards. Also, our professionals use ultra-modern machinery and innovative technology in manufacturing our product range. These cables and wires are highly appreciated among clients for their high tensile strength, shock resistance, high conductivity, flexibility and reliability. Further, we offer our product range in various specifications to cater the specific requirements of our clients at reasonable price range. We have built up a state-of-the-art infrastructural base that includes structural units such as procurement, manufacturing unit, quality testing unit, research & development unit, warehousing, packaging, etc. All these units work in close-co-ordination with one another to meet the specific requirements of clients within the stipulated time frame. All these units are installed with all the necessary machinery, equipments and tools, which allows us to manufacture qualitative range of cables...
