Gupta Furniture House is instrumental in bringing forth to its esteemed clients an array of furniture for all purposes. Our company, a reputed dealer and supplier of furniture, was established under the auspices of our founded.

About Us

Gupta Furniture House is instrumental in bringing forth to its esteemed clients an array of furniture for all purposes. Our company, a reputed dealer and supplier of furniture, was established under the auspices of our founder Mr. Rakesh Gupta who has a keen understanding of the requirements of the clients and of the market standards. We are a proprietorship firm engaged in doing business all over the world, offering the best range of products like office furniture, moulded furniture and classroom furniture. The complete range has been highly acclaimed for its diverse features like robust construction, sturdy designs, durability, fine polish, optimum quality and longer service life. Established in Kolkata, our company is backed by a strong team of professionals endowed with high efficiency level and domain expertise. Adhering to all the norms of the company, our experts execute their services in the most meticulous way with the mission to render complete satisfaction to the clients. We have earned a goodwill in the market for our products which add class and elegance to your interiors and are customized to suit the preferences of the clients. Priced at the most affordable range, the products have drawn several customers from all over with whom we have developed long term business relationships.
