

Gurudeo Marketing Services

<https://www.indiamart.com/gurudeomarketingservices/>

We are leading **manufacturer, trader, supplier and service provider** of premium quality **CCTV Camera, Building Automation System, Intrusion Burglar Alarm, Fire Extinguisher, Fire Detection Alarm, Security System Repairing Service etc.**

About Us

Since commencement in the year **2007**, **Gurudeo Marketing Services** has been established as prominent **manufacturer, trader, supplier and service provider** of premium quality **CCTV Camera, Building Automation System, Intrusion Burglar Alarm, Fire Extinguisher, Fire Detection Alarm, Security System Repairing Service etc.** These are sourced from best vendors of the market. Our vendors are most reliable, experienced and sincere in this realm. They use best quality raw materials and modern machines to design this array. They are simple to install and best for security purpose in the offices, schools and banks. They are highly acknowledged for its compact designs, easy installations and affordable rates. Our vendors are selected on several parameters such as financial stability, faster delivery, superior services and seamless quality. In order to procure this fantastic collection of CCTV cameras, we have a team of top vendors and capacious warehouse to keep these consignments in protected manner. We have quality experts who visit our vendor's premises regularly to keep the quality best and elite. We offer our clients easy payment options such as credit cards, debit cards, EMI and net banking that support our clients to avoid fraud cases. We have garnered a huge client base owing to the support by **Mr. Yogesh Chopra** who is a motivational force behind our success.
