About Us

Year of establishment 1975, Guru Nanak Engineering Works is the leading manufacturer of Sweeper Machines, Construction Machines, Sports Ground Equipments and Sewer Suction Machine and much more. Our presented products are extremely well-liked for their longer life and durability. Our products are made using the advanced technology. Due to high demand, we develop these products in many specifications that meet on market demand. Furthermore, our principled business strategy, nominal price, well-planned ship facility, honest dealing, has helped us in upholding prominent position in the market.

Moreover, we work under the supervision of our mentor Mr. Harbhajan Singh. Under our mentor direction, our entity has attained a well-known place in the market. His excellent industry practice allows us to attain the faith of patrons.
