About Us

Handicraft Haveli has been successful in doing remarkable business for last one decade by offering world class products to its esteemed clients. The firm is a **partnership concern** and based in **Jaipur, Rajasthan**. We have engaged ourselves in **manufacturing, supplying, trading and exporting** of world class decorative items which include **Sandstone Accessories, Silver Decorative, Historical Canvas and many more**. These items have always remained prized possession for people and they have a strong aspiration to have them. Our products tend to become more famous owing to quality offered by us. The range is available in Attractive designs, Innovative styles for the comfort of clients. One look at them and customer is bound to get mesmerized. We work hard to ensure distinctiveness in the products through exclusive designing. The organization has gone through all the phases which any firm has to go through in establishing itself. With the support of **Mr. Achman and Mr. Sanjay** we have been successful in achieving an excellence in every sphere of business. Their business knowledge is amazing and both of them have an excellent coordination to achieve various works with complete perfection. Offering world class products and catering to huge number of clients in international market is a huge challenge and we have been meeting it deftly for last so many years. It is our organized infrastructure which is catering to...
