About Us

Established in **1996**, **Hard N Soft Services** is a trustworthy **Wholesaler, Trader, and Service Provider** of a comprehensive range of **Security Camera, Biometric Machine, Access Control, Alarm System, Branded Desktop, Digital Projector, Desktop Repairing Service and much more**. The experienced professionals design the offered range of products in complete accordance with the laid universal quality norms and guidelines by making use of quality checked factor inputs and modern technology. Our offered range of products finds application for various purposes. In our quality checking unit, the complete range is precisely tested on well-defined quality parameters by making use of sophisticated testing tools & machines. To serve diverse needs and demands of our esteemed customers, our vendors' adept professionals craft all products as per the specifications laid down by customers. In addition, customers can avail these products from us in a stipulated time period at cost effective rates.

We are supported by the modern and robust infrastructure department that is well-maintained with cutting edge tools & machinery. All the installed tools and machines are regularly checked in order to maintain a swift flow of the designing process to serve the bulk & urgent needs of the customers. We have carefully segregated our infrastructure unit into various sub-units. All these divided units are carefully managed by our skilled...
