Initiated over 2 decades ago on the rock solid grounds of faith, transparency and fair pricing, HK Exports earned its stripes from a commitment to consistent quality, its policy of fair & fixed pricing, timely deliveries and last but not the least, a diamond range in a spectrum of cuts and carats.

A way of existence that has taken HK Exports to altitudes. A growth process that has reached the company to a colossal manufacturing capacity of over 40,000 carats per month Exports to 50 plus countries worldwide And recognition of being a 3 Star Export House by the Government of India.
