We are one of the leading suppliers and traders of a qualitative collection of Exquisite Fabrics. The entire range is largely appreciated for features such as colour-fastness, exquisite designs and high tear resistance.

## About Us

Established in the year **2009**, we, “ **Hari Om Enterprises**”, are a counted amongst the renowned names engaged in supplying and trading a comprehensive range of **Exquisite Fabrics**. Sourced from the recognized manufacturers of the market, we ensure that the entire range is in conformation with the industry guidelines and quality parameters. Our products are widely acknowledged for their durability, colorfastness, smooth finish, high tear resistance and anti-shrinkage properties. The entire superior quality range finds an extensive application in various fashion and garment industries. Apart from this, our timely delivery schedules and convenient payment terms & modes have helped us carve a niche for ourselves in this respectable domain. Our quality controllers ensure that the entire range supplied in the market is best in terms of patterns, designs and quality. To meet the varying demands of our clients, we also offer customization solutions to our clients in terms of designs, patterns and colors. We are backed by a team of high qualified professionals, who direct all their endeavors towards offering a flawless range at the client's end. We have established a firm foothold in the industry under the valuable guidance of our mentor, '**Mr. Vinod Bhanushali**'. His immense knowledge, organizational skills and strong business acumen have enabled us to establish a wide client base across the domestic market, within a short span...
