About Us

We are a well established investment concern engaged in financial services including exclusive portfolio management and consultancy. We provide a wide range of financial products which cover within its ambit insurance, mutual funds and other financial products.

We are with life insurance corp. of India since last 9 years and proud to be multicore agents each year in succession. Our service oriented approach, professionalism and personalized service has resulted in a network of very satisfied investors.

Growing need of other investment avenues and to give multiple investment options to our investors we have plunged into mutual funds investments full throttle with all the latest technology.

Have an excellent infrastructure to cater to the needs of our investors.

We not only work towards creating wealth for our investors but also preserving it.

Asset allocation being the most important part in any investment portfolio we package and plan your financial investment patterns understanding your income sources, liabilities and anticipated expenses.
