About Us

AC Service Centre Jaipur is a well-recognized service centre, offering peerless installation, repairing, maintenance, and consultation services for your list of home appliances leading from AC, refrigerator, washing machine, microwave oven, water cooler, RO water purifier, chimney, geyser to CCTV cameras. We as a solution provider understand the importance of efficient functioning of your costly set of home appliances and therefore offer long lasting and flawless AC service and repair solutions to each of our clients at cost-effective prices. **Om HariHar** services were established in 2008 and since then we are thriving to create a benchmark in our industry. AC Service Centre got cracking as we wanted to establish a market of our services nationwide. We deal in installing, repairing and maintenance of various appliances such as Air conditioners, refrigerator, water purifiers etc. Our aim is to create encore services for our customers at an affordable price and make their lives easy. In today's time, people don't have the time to find a good electrician or a well-trained servicemen to fix their appliances and that's how we came with the idea of starting this company for customer convenience.
