

# Hariom Digital Photography

<https://www.indiamart.com/hariom-digital/>

Providing photography services, international photographic creation services and video shooting services. And also manufacturing wedding album, story book and photo book.

## About Us

We are 10 years old organisation entered into the field of Photography and cinematography - wedding, and also filming, documentra preparation to education filming and wedding albums marketing.

The core competency is ofcourse wedding photography and cinematography, however we have entered into corporate film presentation. our clients exist across the globe and we are consider to be one of the best wedding photographer of the government undertaking of Gujarat. Introducing new concepts in the wedding photography is one of our unique feat.

I m available for a small number of wedding photography assignments of every year. I devote extreme care and attention of each couple with whom I work and get to know you as a friend. I work with you to develop photography services that will truly reflect who you are as a couple and what your day will be.
