We are renowned manufacturer, supplier and exporter of chemicals generally used in chemical factories for wide range of chemical works.
About Us

Established in the year 1997, we “Harshil Industries” are one of the most trusted names of the industry engaged in manufacturing, exporting and supplying a superior quality range of Industrial Chemicals. Our range of chemicals are manufactured using high-grade raw material and components that are procured from some of the most trusted vendors of the industry. Moreover, we carry out production & other related processes with the aid of latest technology and sophisticated machinery. Our product range is highly demanded in the market for its durable standards, efficient functioning and easy installation.

We have a state-of-the-art infrastructure to manufacture the entire range in compliance with the international quality standards. The advanced facilities available at our end enable us to carry out all the production related activities with excellence. Moreover, we have a team of experienced professionals, which manufactures all the products as per clients’ requirements. These professionals can also customise these products as per the exact details provided by the esteemed patrons. Owing to our client-centric approach, we have been able to gain the trust & confidence of our customers. Our market presence in countries like Indian Subcontinent, East Asia, Middle East and South East Asia clearly shows the strength and effectiveness of our Network.

CHEMICAL CRYOLITE

Our Products

Sodium Cryolite

Potassium Cryolite

Sodium Cryolite Powder
CHEMICAL FLUOROBORATES

Sodium Fluoborate

Potassium Fluoborate

Ammonium Fluoroborate

Copper Fluoborate
FLUORIDE CHEMICALS

Ammonium Bifluoride

Potassium Fluoride

Ammonium Fluoride

Ammonium Silico Fluoride
SULPHATE CHEMICAL

- Magnesium Sulphate
- Lithium Sulphate
- Tin Sulphate
- Nickel Sulphate
POTASSIUM BORATE

Potassium Tetra Borate

Potassium Pentaborate

Potassium Metaborate
OTHER PRODUCTS:

- Lead Fluoborate
- Calcium Fluoride
- Fluoboric Acid
- Fluosilicic Acid
OTHER PRODUCTS:

Copper Sulphate

Lithium Chloride

Di Ammonium Phosphate

Mono Ammonium Phosphate
