<https://www.indiamart.com/hasanengineeringworks/>

We, **Hasan Industries**, are well appreciated **Manufacturer, Trader** and **Service Provider** of industrial products like **Cosmetic Plant, Multi Mill, Attrition Mills, Spiral Mixer, Vessels and General Fabrication.**

## About Us

We, **Hasan Engineering Works**, are best name in the market established in the year **2005, at Delhi, (Delhi, India)**. We are the best **Manufacturer and Trader** of industrial products like **Cosmetic Plant, Multi Mill, Attrition Mills, Spiral Mixer, Bakery Machinery, Perfume Filling Machine, etc** and **Services Provider** of **Vessels and General Fabrication**. All these industrial products are designed by our professionals with the use of best techniques and cutting edge technology. Our engineers are experienced and most smart in working. They create these industrial products keeping in mind the current market standards. These industrial products are energy efficient, jerk free in functionality and available at lowest rates. In order to create this high quality collection of industrial products, we have erected a very large production unit that is big, well equipped with latest machines and team of best professionals that help us to create these industrial products with perfection. From our initial stage of designing these industrial products till the testing and delivering, all the processes are divided into many sub departments and handled by our managers. We have quality experts that keep a close eye on the working to keep the quality elite. With 100% quality certifications, we tend to keep our customers intact with us. We also offer our patrons many services like free shipping, faster delivery and water proof packaging to keep our...
