About Us

Who We Are Launched in the year 2014, Hatkay is a new and upbeat online Indian Ethnicwear e-retailer which is dedicated to offering its customers nothing but the very best styles of Indian fashion at prices which are deemed to be affordable for every budget. Hatkay is an e-commerce platform which is celebrated by many style conscious fashionistas and trend-savvy shoppers. By providing customers with an unprecedented selection of the latest South Asian fashions, Hatkay has quickly become a phenomenon in the Ethnicwear scene. Our Mission: At Hatkay, we have only one sole mission - to offer the latest and highest quality South Asian fashions at the best possible prices. We believe in mutual growth and building long term relationships with our customers, thus offering our esteemed customers with the best possible services and products. Our Infrastructure: We are backed by a strong and stable infrastructural facility for the purposes of manufacturing and dispatching our products. We also have a spacious warehouse where our finished garments are stored before the final dispatch to the consumer. The experts at this unit ensure that a proper record of every stored and delivered product is maintained. Moreover, we have requisite facility to pack our product effectively in quality corrugated boxes and bags so that our products are able to reach our costumers in nothing but the best possible shape. What We Offer Hatkay offers the latest styles in South Asian fashion and...
