About Us

Hazro Traders was established in year **1971** with the efforts of **Mr. Suresh K.Sukheja** & it has built a immense reputation and market recognition as a trader of automotive components and parts. Our product excellent quality auto spare parts and components for two-wheelers and Three-wheelers. Alongside, we regularly diversify our product range like bajaj ,honda, en-field motorcycle parts, through introducing new and advanced automotive spare parts into our inventory. We has been supplying products to clients from India and overseas including OEMs and replacement market.

We are the main dealers, distributors and suppliers for various manufacturers from India. Having good reputation in the trade with customers' goodwill, we have catapulted an enviable image in global market through its untiring pursuance towards customer satisfaction and commitment fulfillment. Since the inception, we has registered a voluminous growth, which is largely because of our flexibility, transparency and customer oriented services
