Free home service is a unique concept wherein you don't need to visit any diagnostic lab personally.

About Us

Free home service is a unique concept wherein you don't need to visit any diagnostic lab personally. All you need to do is just give us a call at above mentioned number & we arrange our well trained & well equipped technician for you at your doorstep at your convenience to collect the blood samples without any extra charges for visiting home. These blood samples then we take to diagnostic lab in a special transport bag which helps to maintain the temperature of blood samples for accurate information & report, your doctor can depend on.
