## About Us

**HealMyBones.com** is a leading online resource for patient education. In this interactive website, you will find information about the diagnosis and treatment of your orthopaedic problems. There are many technical terms used by doctors which can be quite confusing for the patients. Keeping this in mind I have tried to explain common orthopaedic diseases in a very simplified and easy to understand way. I sincerely hope the information you find here is informative and helpful. If you ever wish to contact me you are most welcome. I shall try to assist you in best possible way. My best wishes are with you.
