About Us

Hector Group established in August 2010. We are serving our customers through a proposed network of our offices located in Delhi/NCR, Chandigarh, Solan, Haridwar and Dubai. We built relationship on the values of excellent service; Integrity and Trust. We are successfully catering the requirement of our clients for both commercial and residential.

Our vision is to build Quality Constructions keeping in mind social obligations. Hector group is deeply committed in offering avenues to Customers, Employees and all Associates for delivering new heights of satisfaction, excellence in Quality and Dedication towards its commitment. At Hector we believe in giving true quality and service which is the driving force behind our entire venture. Our commitment to these basic values runs across the spectrum, in dealing with our customers, suppliers and employees.
