<https://www.indiamart.com/helix-security/>

It is highly trusted and professional security organization. Our motto is to be alert, responsive and available to our esteemed clients as and when asked for the available service.

About Us

A security company where all key positions are managed by experienced Ex-Army and Ex-Police personnel. Regular refresher courses, well-planned and elaborate training programmes, polishing the much needed requirements of Industrial Security, groom all into an excellent workforce and create a culture of its own with a high order of discipline on all fronts. "Helix Security & Consultancy Services" believes in maintaining high order supervision on the personnel involved at grass root levels. A battery of highly qualified Operational Managers and custom designed software to back it enhances the efficiency levels of every individual. Special emphasis is laid on smartness in turnout and attitude of each individual through daily briefings.
